

# CareAbility Newsletter

Welcome to our July Newsletter!

I am so excited to be able to finally show everyone our new logo and present a fresh looking newsletter this month just in time to celebrate our 6th birthday! It's been such an incredible journey and I couldn't be happier to still have so many participants and their families in our community who have been there right from the start. You are all why we do what we do, without you CareAbility simply would not exist. To celebrate, we are having a Birthday Bash in August at our Respite House and we'd love you all to come. Invites will be sent out in the coming week via email, please let us know if you join us!

I have a couple of staffing updates for you - Renee has decided to move on from her time with us as she embarks on her new career as an OT, we wish Renee nothing but the very best!

We have also welcomed Callum to the team in June. Many of you have already met him and are excited to have him working with us.

As always, thank you for your continued support,  
Christie

## JUNE WRAP UP

Jackson took a break from column writing to attend his first school formal! He scrubbed up so nicely and had an amazing evening dancing with his friends!

Kian had an awesome Saturday out with SW Connor! He chose to sit down and have a toastie for lunch before seeing the new Despicable Me 4 movie!

Arden took on train travel once again! He's been using Public Transport on the weekends and has grown to enjoy it so much! We love that he's exploring different ways to access his local community!
